

Dromana College is committed to recognising and rewarding student excellence in all fields of endeavour. In 2020, the College is offering five (5) Academic and five (5) General Excellence scholarships to students commencing Year 7. These scholarships provide many opportunities for students to pursue excellence in their chosen fields. If the successful students maintain their excellent grades, the scholarship is automatically awarded for the second year.

The College is also offering five (5) Laptop Scholarships.
