DEFINITIONS

For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Dromana College understands that students may bring a personal mobile phone to school.

At Dromana College however:

- Students who choose to bring mobile phones to school must have them switched off and securely stored in their lockers during school hours, (8.55am to 3.00pm).
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Exceptions to this policy may be applied (for) if certain conditions are met (see below for further information)

Secure storage

Mobile phones owned by students at Dromana College are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Dromana College does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Parents/carers and students are encouraged to refer to the Department's [Personal Goods policy](#)

Where students bring a mobile phone to school, Dromana College will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so.

At Dromana College students are required to store their phones in their lockers. (All student should ensure their locker is secured with an approved lock).

- **Third** and subsequent offences: phone returned at the end of the day, parent/guardian notified and alerted and student suspended.

Confiscated phones will be stored in the Main Administration Office until collected.

If parent collection is required, the phone will be returned by an Assistant Principal.

If students do not follow a request from teachers to handover their device when requested, their refusal will be considered as a “refusal to follow a reasonable request from a teacher” and actions and consequences consistent with this policy and other Dromana College student management and engagement policies will follow.
